Hey Art Friends!
We've created a special Christmas tree cutout just for you! It's perfect for making your home extra special. Here's how you can make it super fun:

Steps:
1. Color your tree and add decorations
2. Cut out your tree
3. Connect A to B and tape together

CUT OUT

B

ADD TAPE

What You Need:

This printed cutout sheet

Crayons, markers, or colored pencils

Scissors
