- 1. Color and Decorate:** First, use your favorite colors to color in the turkey and the decorations on this sheet. You can add anything you like - think leaves, pumpkins, or even glitter!
 - 2. Add a Name:** In the rectangle, write the name of a family member or a friend who will be joining you for Thanksgiving. You can make one for everyone!
 - 3. Cut and Assemble:** Carefully cut out the nametag along the dotted lines. Then, bring the two ends of the rectangle together to form a circle and tape them in place.
 - 4. Place on the Table:** Set your beautiful nametag on the table where each person will sit. It's a great way to show them they're an important part of your Thanksgiving celebration.
- Remember:** Always have an adult help with the cutting and taping.
